Scope of Services

What We Do

We specialize in the temporary staffing (leasing) of employees in the metalworking industry. We provide our services at the client's production plant or another designated location, under their direction and supervision.

Orders

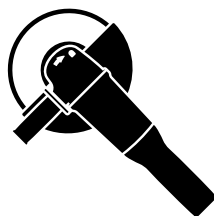

- We carry out welding work using various methods.
- We provide assembly of elements, subassemblies, and structures.
- We perform tasks related to metalworking.
- We offer industrial painting and surface preparation.
- We guarantee specialized operation of numerically controlled machines.
- We provide comprehensive support for production lines.

About Vitworker

About Us

Vitworker has been operating on the Polish market since 2016. Our main headquarters is located in Bydgoszcz, but we operate throughout the entire country as well as abroad.

Our Capabilities

We have our own welding hall where we manufacture steel structures and verify and test our candidates before qualification tests.

Experience

In Poland, we cooperate with over 30 large plants that readily recommend us as a reliable and trustworthy contractor who guarantees an adequate number of workers.
